Before you arrive for your meeting at Holiday Inn, we wanted to let you know about our new meetings menu. Because we believe that good food makes happy delegates, we've expanded our food offering to bring you a wealth of new dishes that will satisfy even the most diverse tastes.

From light pick-me-up snacks to timeless, comforting classics, our new menu is packed with dishes that will keep everyone's spirits up, no matter how challenging the day.

We're very pleased to be able to share this new meetings experience with you – at no extra cost – and we hope you find the concept as exciting as we do. Please contact a member of the Holiday Inn Meetings Team to confirm your complimentary upgrade.
